

A new way to watch our Sunday Service Live

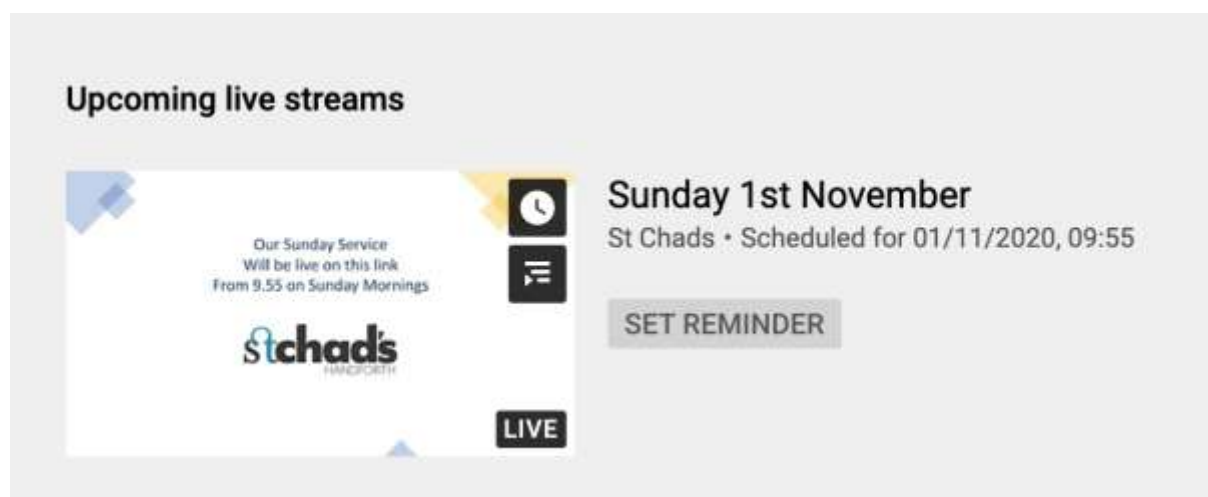

Important – please read carefully.

From this Sunday 1st November there is going to be a new way to watch our Sunday morning Service from St Chad's.

The previous Zoom link will no longer take you to the Sunday Service, but WILL be used for catch up, coffee and chat at the end of the service, so please keep that link handy. To watch the service you will now have to go to our YouTube Channel on the following Link:

<https://www.youtube.com/channel/UCmianZZceP6sJKcYMJY9uwQ>

From that page you should see the following:

This page will become a live link from 9.55 on Sunday mornings. If you click on the above image from 9.55 on Sundays it will take you to a live stream of our Church Service. If you click on it before then, it will merely take you to a big view of the same picture with the comment 'Live in n days'.

At the end of the service if you'd like to chat to people use the Zoom link from before:

IMPORTANT NOTE: Please remember to switch off YouTube once Zoom starts. Doing this will avoid cross-channel sound interference that some people have experienced.
