

This programme lists activities arranged for everyone at St Chad's. They are activities to which church members are encouraged to invite their friends.

The social evening with the Capernwray students, the Repair Cafe and the BIG QUIZ Night are activities to which a wide circle of friends can be invited. Further publicity and details of events will be available nearer to their time.

The first Sunday of each month at 10:00am are planned to bring us all together for worship.

Breakfasts for Men and Ladies(LIFT) events give opportunities for men and ladies, respectively, to eat together, but the guest speakers and the topics chosen are of general interest and everyone is invited to come for these presentations.

For further information:-

Up to date information is always available from the Church Office 01625 532145
